BELVEDERE

Category: Restaurants and taverns
business description: It's truly a beautiful sight from the terrace of this beloved trattoria, where the gaze sweeps across the hills surrounding the Curone Valley. A land generous with fruit, fine cured meats, and mushrooms. And with a cuisine that is, by tradition, inherently sincere. As has been the philosophy of this family-run osteria for generations.
phone: +39 (0131) 787.159
