CASCINA LA MADDALENA

Category: Cantine
business description:

Barbera del M.to “Rossa d’Ocra” - Dolcetto di Ovada “Bricco del Bagatto” and “Migulle” - Monferrato Rosso “La decima vendemmia” (barbera, dolcetto, merlot) and “Pian del Merlo” (merlot) Cascina la Maddalena is located in the Municipality of Rocca Grimalda (fortified village), between Langhe and the Ligurian Riviera, in the area of Monferrato in Piedmont. Cascina la Maddalena opened in 1997 as a wine company; a few years later, it became a Bed&Wine merging hospitality and wine production. The particularity of our Bed&Wine is that aside from tasting wine, guests can also try bread baked in a wood-fired oven, local cured meats and cheeses. Depending on the season, they can be enjoyed in the “various” corners of the Cascina, taking advantage of the spacious portico or directly on the tables among the vineyards, under a sea of stars.
