LOCANDA PERTUSO

Category: Restaurants and taverns
business description: The locanda is found at the end of the "Strette", a unique location immersed in the nature of the Borbera Valley, to admire in the outdoor dining deck, the restaurant is welcoming and informal, the cuisine is simple and influenced by the four regions.
In this trattoria, they are particularly attentive to the seasonal quality of the ingredients and the pasta is rigorously homemade. It is also worth mentioning the pizza, which is good, light and crispy - it goes well with the products of the valley.
The locanda has a certified Gluten free menu.
